Experience:

2006-present Executive Director, Emory University Center for International Programs Abroad
2000-2006 Director, Emory University, Center for International Programs Abroad.

Direct operations for all undergraduate study abroad programs of Emory College including approximately 20 faculty-led summer programs and 80 regular academic year programs and exchanges. Work closely with faculty to develop new programs and opportunities for Emory undergraduates to study abroad. Administer support services and grant programs for students studying abroad. Represent Emory to external study abroad professional organizations, other institutions, study abroad providers and consortia. Supervise staff of eleven dedicated to support more than 600 Emory students studying abroad annually. Manage the Center's annual operating and programming budget. Coordinate Interschool Crisis response committee.

2004-present Senior Associate Director, Emory University Institute for Comparative and International Studies.

2002-2004 Associate Director, Emory University, Institute for Comparative and International Studies.

Assist and advise Executive Director in all aspects of the administration of the Institute including setting programming and budgetary priorities and goals for the Center for International Programs Abroad, the Area Studies Programs and the Emory College Language Center. Supervise community outreach programming, grant administration and promotional activities of the Institute and its constituent programs. Coordinate funds for curriculum development, research and travel for faculty projects with an international component.

- 1997-present Adjunct Assistant Professor, Emory University, Department of History.
Course: "Britain during the Second World War."
1998-2000 Associate Director, Emory University, Center for International Programs Abroad.
1997-1998 Assistant Director, Emory University, Center for International Programs Abroad.
1996-1997 Study Abroad Coordinator, Emory University, Center for International Programs Abroad.

Worked closely with Center director during start-up phase of the Center. Negotiated new study abroad processes with administrative and academic units at Emory. Established detailed processes and procedures for study abroad within Emory College. Represented Emory to external study abroad organizations and consortia. Advised students regarding study abroad. Worked with academic departments to establish numerous study abroad programs and opportunities for undergraduates. Supported Director of CIPA in planning and budget issues for the Center. Reviewed and approved all budgets for semester and summer programs. Supervised staff members and student peer advisors in a quickly expanding office.
