

Special Instructions for Oxford Students:

Graduates of Oxford College who are Oxford Scholars and rising juniors at Emory University are eligible to apply for the Emory Scholars Summer Study Abroad Scholarship. The following scholarships are eligible: Arnold, Dean's, Faculty, Temple, MLK, and Woodruff. Your application essay should address how both Emory and CIPA will benefit from selecting you for the award. If you do receive the scholarship, you must be committed to continuing your studies on the Atlanta campus. If you are awarded the scholarship and do not continue on at Emory, then you will be required to reimburse the Emory Scholars program for the amount of the award.
